Re: D Wing Rooftop Unit #16

Proposal

We propose to replace the existing 15 ton rooftop unit with a new 15-ton rooftop unit as follows:

- Remove existing equipment from roof top and dispose of properly
- Install new curb adapter
- Install new rooftop unit
- Install hail guards
- Install new economizer
- Install duct smoke detector
- Connect new equipment to existing duct system, electrical branch circuit, condensate drain line, thermostat and thermostat wiring
- Start-up system and monitor for proper operation
- Crane services included

*Note: Hail guards, economizer and smoke detector are options that are on original equipment and should be included on replacement equipment.

Option 1 – American Standard (new match to original Trane unit with high heat and high capacity blower motor)

We offer to provide labor and materials – complete in accordance with above specifications, for the sum of: Seventeen thousand nine hundred fifty dollars (\$17,950.00).

Option 2 – Carrier (lower cost alternate which is a compatible with the latest on B Wing with a shorter lead time)

We offer to provide labor and materials – complete in accordance with above specifications, for the sum of: Fifteen thousand five hundred dollars (\$15,500.00).

Exclusions: Structural repairs, any work other than specified.

This proposal is valid for thirty (30) days from date shown above.

All material is guaranteed to be as specified. All work to be completed in a workmanlike manner according to standard practices. Any alteration or deviation from above specifications involving extra costs will be executed only upon written orders, and will become an extra charge over and above the estimate. All agreements are contingent upon strikes, accidents or delays beyond our control. Owner is to carry fire, tornado and other necessary insurance.

The above prices, specifications and conditions are satisfactory and are hereby accepted. You are authorized to do the work as specified. Payment will be made as outlined above.

Sincerely,
Warren Tongate
