WHEREAS both parties are political subdivisions of the State of Texas authorized to enter into an Interlocal Cooperative Agreement for such detention services pursuant to Chapter 791 of the Government Code (Vernon 1992) (formerly Article 4413 (32c). Texas revised Civil Statutes), and

WHEREAS the County and the Contractor desire to enter into an agreement pursuant to which the Contractor will provide housing and care for certain inmates incarcerated or to be incarcerated in the County's jail,

Contractor agrees to accept and provide for the secure custody, care and safekeeping of inmates of the County in accordance with state and local law, including the minimum standards promulgated by the Texas Commissioner of Jail Standards. The Contractor shall provide housing, care, meals and routine medical services for such inmates on the same basis as it provides for its own inmates confined in its own jail.

1.3 MEDICAL SERVICES

The per-day rate under this agreement covers only routine services such as on-site sick call (when provided by on-site staff) and non-prescription, over the counter/non-legend and routine drugs and medical supplies.

The per-day does not cover medical/health care services provided outside of the Contractor's facility or by other than facility staff, prescription drugs and treatments or surgical and dental care and does not include the costs associated with any hospitalization of an inmate. The County shall pay the Contractor an amount equal to the amount the Contractor is required to expend for medical services other than those routine medical services provided for by the per-day rate.

When it becomes necessary for an inmate to be hospitalized, the Contractor shall contact the County through its Sheriff or designated representative as soon as possible to inform the County of the fact that the inmate has been or is to be hospitalized and the nature of the illness or injury that has required the hospitalization.

The Contractor shall submit invoices for such medical services along with its regular monthly billings for detention services and such invoices shall be paid on the same terms as the regular monthly billings.

It is understood and agreed that if the hospitalization of an inmate is to be for a duration of more than 24-hours or the cost of medical care for hospitalization will or may, in the opinion of Contractor and Contractor's Sheriff, exceed \$2,000, the Contractor has the right to arrange for the hospital or health care provider to bill the County directly for the costs of the hospitalization and/or medical care rather than the Contractor paying the costs and billing the same to the County.

If the hospital or health-care provider refuses to bill the County directly, the County shall reimburse the Contractor such costs within ten business days of receipt of an invoice from the Contractor therefore, which invoice may be delivered personally, by facsimile, by mail or by other reliable courier.

Ambulance transportation (including emergency flight, etc.) is not covered by the per-day rate and will be billed along with the regular monthly billing submitted to the County by the Contractor.

The County shall be responsible for the transportation of its inmates to and from all court proceedings and hearings not arising out of incidents in Contractor's county.

However, it is agreed that the preferred and usual course of dealing between the parties shall be for the County to pick up and return inmates to the County facility shortly before their discharge date and for the County to discharge the inmate from its own facility.

The County accepts all responsibility for the calculations and determinations set for the above and for giving Contractor notice of the same time.

The County is responsible for all paperwork, arrangements, and transportation for inmates to be transferred to the Texas Department of Criminal Justice, Institutional Division.
