Subject: e-File Quote & Follow-up from Conference

Cheryl,

I hope you had a great Easter weekend! I enjoyed seeing you at the conference and I certainly hope you enjoyed the experience this year. I wanted to follow up with this email to provide you with a quote for the e-file integration we discussed. If you would like to sign-up for the integration, just send me the authorization with a PO# and I'll start the work order and get you added to the list. If you need any additional information, please let me know.
