**Subject:** First Responder Nominee

Saydie Bradley is a deputy at the Brown County Sheriff's Office where she has diligently served her community for the past 4 years. She has received several nominations including "40 Under 40" as well as "Deputy of the Year" over the course of her career. Saydie not only goes above and beyond on the job but also off duty as she is always willing to give a helping hand to any and every person she comes in contact with. She consistently wears her uniform and badge with pride; but Saydie continuously embodies the attitude, character, and compassion of a true servant at all times.

It is my honor to nominate Saydie Bradley as she is more than deserving of recognition for her hard work and dedication as a first responder in Brown County.

Jerah Stanford, AGACNP-BC
