

# Child Welfare Board

... touching the lives of abused and neglected children!

March 17, 2014

Dear Brown County Commissioners' Court:

There is one new applicant for the board that we would like to have approved.

Debbie Krischke currently resides in Brown County and has expressed her desire to assist children in need. She has experiences that will enhance her understanding and abilities to help our Brown County foster children.

She has passed her background check.

There are currently additional vacancies for which we will be requesting approval of their replacements soon.

Thank you for your consideration and for your support of the Child Welfare Board.

Sincerely,

*Sherry Clark*
