

# Child Welfare Board

... touching the lives of abused and neglected children!

April 21, 2014

Dear Brown County Commissioners' Court:

The Brownwood-Brown County Child Welfare Board currently has four openings. We request that you approve the following prospective members who have already passed their background checks:

**Judy Brownlee** is filling a place that will expire on 9/30/2015. She has worked with children for 30+ years in educational settings and would be an asset to the board due to her knowledge and skills with children.

**Suelene Coley** has worked in the school setting for several years, is the mother of three, and genuinely cares about the welfare of children. She will fill a place that expires on 9/30/2016.

**Melburn Gossett (Bud)** is a retired educator and states that children have been his world. He wants to continue to be able to help children. He will fill a place that expires on 9/30/2014.

**Kimberly Horton** has served as educator and counselor for many years. She is interested in helping children of all ages. She will fill a place that expires on 9/30/2016.

With the addition of these four board members, the Board will be complete again.

As always, thank you for your consideration and your support for the Child Welfare Board.

Sincerely,

*Sherry Clark*
