

NOTICE OF 2015 TAX YEAR PROPOSED PROPERTY TAX RATE FOR BROWN COUNTY

A tax rate of \$0.5955 per \$100 valuation has been proposed for adoption by the governing body of Brown County. This rate exceeds the lower of the effective or rollback tax rate, and state law requires that two public hearings be held by the governing body before adopting the proposed tax rate.

PROPOSED TAX RATE	\$0.5955 per \$100
PRECEDING YEAR'S TAX RATE	\$0.5744 per \$100
EFFECTIVE TAX RATE	\$0.5521 per \$100
ROLLBACK TAX RATE	\$0.5980 per \$100

The effective tax rate is the total tax rate needed to raise the same amount of property tax revenue for Brown County from the same properties in both the 2014 tax year and the 2015 tax year.

The rollback tax rate is the highest tax rate that Brown County may adopt before voters are entitled to petition for an election to limit the rate that may be approved to the rollback rate.

YOUR TAXES OWED UNDER ANY OF THE ABOVE RATES CAN BE CALCULATED AS FOLLOWS:

$$\text{property tax amount} = (\text{rate}) \times (\text{taxable value of your property}) / 100$$

For assistance or detailed information about tax calculations, please contact:
