ARBITRATION PROVISION ARBITRATION OF DISPUTES

Arbitration is a method of resolving a claim, dispute, or compoversy (collectively, a "Claim") without filing a lawsuit in court. Either Buyer or Selier may choose at any time, including after a lawsuit is filed, to have any Claim related to or arising out of the transaction identified in this Buyer's Order ("Order"), including the inserpretation, scope, or validity of arbitration, decided by arbitration and not by a court action.

When a dispute is resolved by arbitration and not in a court, each party gives up

under investigation for discipline or removal, to conduct the arbitration in lieu of contacting either the AAA or NAF to conduct the arbitration.

This Order evidences a transaction involving interstate commerce. Any arbitration under this Arbitration Provision is governed by the Federal Arbitration Act (9 U.S.C. § 1, et seq.). Judgment upon the award may be awarded in any court having jurisdiction. No punitive damages may be awarded against either Buyer or Seller.

The arbitration hearing will be conducted in the federal district in which Buyer resides. If Buyer demands arbitration first, Buyer agrees to pay the initial arbitration
