

Child Welfare Board

... touching the lives of abused and neglected children!

April 11, 2016

Dear Brown County Commissioners' Court:

There is one new applicant for the board that we would like to have approved.

Jill Evans currently resides in Brown County and has expressed her desire to assist children with needs. She states that she loves working with children. She works at Family Services Center. These experiences have enhanced her understanding and abilities to help our Brown County foster children. She has many talents and we are honored to have Jill as a member of our Brownwood Brown County Child Welfare Board.

She passed her background check.

There are currently three vacancies for which we will be requesting approval of their replacements soon.

Thank you for your consideration and for your support of the Child Welfare Board.

Sincerely,

Sherry Clark, Chair
