## TEEA Week Proclamation

Each year, the TEEA County Association Chair works with the Family and Consumer Sciences Extension agent to get this proclamation on the agenda for the County Commissioners Court to sign at the Court meeting before the second week in October to designate that week within the county as TEEA Week in \_\_\_\_\_ County. It is a wonderful opportunity to showcase the previous year's value to the county by presenting a "check" showing the educational program, honor roll of counties, and 4-H scholarship's dollar value. It is also an opportunity to mention the upcoming year's plans for county activities.

A news article can be written for the local paper summarizing TEEA activity and raising awareness of the opportunity for new members to join.

The condensed proclamation format shown on the following page was shared by Kathy Smith, CEA-FCS in Parker County. A proclamation form using the correct line spacing is included on the TEEA website for your use.
