

# Child Welfare Board

... touching the lives of abused and neglected children!

January 17, 2017

Dear Brown County Commissioners' Court:

There are two new applicants for the Brownwood Brown County Child Welfare Board. They currently reside in Brown County and have expressed their desires to assist children. They have experiences that have enhanced their understanding and abilities to help our Brown County foster children.

Linda Burns resides in Bangs where she has taught for 39 years. She continues to substitute at Bangs ISD. She is currently retired and volunteers at First Baptist Church in Bangs. She states that she loves helping children and wants to assist children through the Brownwood Brown County Child Welfare Board.

Melissa Mullins resides in Brownwood and currently serves as store manager at Burkes Outlet. She has also worked in Hamilton's and at Goody's Family Clothing where she has served as store manager. She has volunteered as a board member for Goodwill Industries and has served as vice president for East Elementary PTO in Brownwood where she has been instrumental in facilitating fundraisers.

Both applicants have passed their background checks.

Approval of these two board applicants leaves only one available opening for which we have already received an application.

Thank you for your consideration and for your continued support of the Brownwood Brown County Child Welfare Board.

Sincerely,

*Sherry Clark*
