**Subject:** JCB 225T Compact Wheel Loaders Quote

T'anna,

I have attached a standard build quote for a JCB 437ZX Wheel Loader from the JCB factory. Based on your time table and availability I can use other dealer stock for a similar built machine.

Please review the attached specs, if there is any changes that you would like to be made please let me know and I can adjust accordingly.

We are also a active member on the Buy Board as of now.

Thanks,
