E. Ray West, County Judge, Brown County, TX
Commissioners Court, Brown County, TX

Subject: Letter of Resignation and Retirement

Judge West and Commissioners, I offer you my Letter of Resignation. I am resigning as the Veterans Service Officer of Brown County. I am retiring on June 30, 2017.

I have worked for this great county for a little over 20 years and I have thoroughly enjoyed my time here. There is so much I could tell you concerning the history that has walked through the doors of the Brown County Veterans Service Office. I also can tell you that in the twenty years I have worked for you, there has never been any disappointment with the backing I have received from my County Judge and Commissioners Court. You have supported us in everything my staff and I have wanted to do for the veterans of Brown County and the State of Texas.

I believe that the Veterans Service Office is in great hands and will continue to thrive. I believe that can happen with James Masters at the head of the VSO office.

I want to thank you for the opportunity to serve as you Veterans Service Officer and wish all of you GODS speed and Blessings and I hope to see you as we go about our daily life.

Respectfully,

Billy B. Murphey Jr.
