Subject: Brown County Courthouse Masonry Repairs
Attachments: Brown County Court House Masonry Repairs 11-6-18.pdf

Jayme,

I met with Carl Greer last week to look at some masonry repairs.

Attached is our proposal. If there are any questions, please let me know.

Thanks,

Robert Dendy

Brownwood, TX 76801

Subject: Courthouse Masonry Repairs

Judge West,

Thank you for the opportunity to price the masonry repairs for the courthouse.

Our scope of work is as follows:

- Reset cast stone cap at parapet at the south east corner of the building.
 - The stone appears to be in good condition, this quote does not include any repairs to the cast stone if damaged incidentally while removing and resetting.
- Infill, replace missing brick and tuck point the North West corner of the building above the handicap ramp.
- Total Masonry labor included is 3 days.
- Equipment rental to reach the building without getting on the lawn
- Clean up

The price for the above described work is \$9,426.

There is no other scope of work included that is not specifically mentioned above.

Sales Tax is not included in the above prices.

If you have any questions, please call 325-646-2529.

Respectfully,

Robert Dendy
Vice-President
