Contact Information

Address:

5376 52nd Street SE
Grand Rapids, MI 49512

Phone: 1-866-438-4553

Fax: (616) 698-6937

Shipping and Handling (S&H) Information:

FREE tracking information! Supply us with your email address when you place your order and we will send you a copy of your invoice along with the tracking information specifically for your shipment. Minimum \$6.50 is billed on all orders. Minimum \$12.99 for Hawaii, Alaska and Puerto Rico. Minimum \$23.99 for all international orders. 18% fee is added to all international orders.

A variety of shipping methods (ground or air) and service levels (next day a.m., mid-day, or end-of-day; two-day guaranteed, etc.) are available. See "Shipping Method" on first page of quote for current level selected. Quoted price is detailed as a separate line after the Product Total as "Shipping and Handling." Please call us at 1-866-438-4553 to discuss expedited shipping options and pricing.

ID Systems/Hardware Shipping:

All ID Maker PRO Systems are shipped UPS Ground insured at the rate of \$99.95. Additional supplies are subject to added shipping costs.

Delivery Times for In-Stock Items:

All of our in-stock items ship the same day you order if your order is placed by 6 p.m. EST. Ground Delivery to the 48 contiguous states and Canada takes 2-5 business days. Delivery to Hawaii, Alaska and Puerto Rico takes 5-7 business days. We are unable to deliver parcels to a Post Office box.

Delivery Times for Items with Engraving or Personalization:

Engrave & Ship Today items will be shipped out the same day if your artwork proof and/or personalization text is approved by 3pm EST. Large quantities ordered late in the day may exceed our production capacity. We will contact you to discuss options, such as shipping most of your order same day and the remainder next day.

Customized Product or Non-standard Artwork for Engraving/Personalization:

If this quote includes an item that is being customized to your specifications, there may be additional charges for artwork, set-up, multiple colors, etc. Once your artwork and specifications have been submitted, a graphic designer will provide you an accurate quote for any additional charges plus an estimate on the manufacture and production schedule. If you customize an "Engrave & Ship Today" item it may require additional production time.

No Hassle Return and 30-day Money Back Guarantee:

We stand behind our products, period. If you need to return an unused product for any reason, we'll be happy to credit your account, exchange the item or give you a refund for the cost of the merchandise if returned within 30 days from the receipt of your order. All you need to do is return the item(s) along with the packing slip--it's that easy! We recommend returning the package by a carrier that requires a signature (FedEx, UPS, Certified US Mail, or Canada Post). Please retain your tracking information until you have received your credit. Returns of custom merchandise are not accepted. Software, systems and electronics are subject to a restocking fee. Please call customer service at 1-866-438-4553 for more information.

VERIFIER 300 LC SINGLE FINGER SCANNER WITH USB 2.0

Quantity	Price
1 - 2	\$550.00
3 - 4	\$522.50
5 +	\$496.37

Product Information

Cross Match Technologies' Verifier 300 LC (Lexan Case) 2.0 is a single fingerprint capture device that delivers accurate and reliable results for identification, verification, and registration programs. It is available with universal serial bus (USB 2.0) connectivity and the unit's small size is easily integrated into existing applications, including TWAIN. Provides high quality images of a fingerprint while maintaining sub-pixel geometric accuracy. The unit is ruggedly built with a lightweight, polycarbonate lexan case.

SIGLITE SIGNATURE PAD - USB

Quantity	Price
1 +	\$194.75

Product Information

Dimensions:

6" x 3.8" x 0.7"

SigLite is Topaz's low-cost pressure-sensitive electronic signature pad. SigLite features all the high-quality biometric and forensic capture techniques of a SignatureGem tablet but with a low-cost touchpad and stylus in place of the active electromagnetic pen and sensor. The touchpad sensor is protected by a replaceable overlay for longer life.
