SYSTEM SUMMARY:

The above proposal includes 1 Control Unit and 1 Voicemail system that will serve as a backup in case of emergency situation. All departments will have 4 digit dialing to the City Hall. The PD will have analog lines for local calling, 911 and emergency backup dialing in the event of a network failure. Should a failure occur, the remote sites will only lose access to extension dialing to voicemail features, until services are fully restored.

Good Morning,

We need to upgrade your phone system since the 5 year lease is about to end.

You will notice that the current lease is 998.13 per month per agency, will now be 878.88 per month for each agency after the upgrade.

I would like to get this done by end of January if it's Ok with your departments?

Thanks

Richard McCarter, CGCIO, CISM

Richard,

Here are your telephone quotes to upgrade. If you want to do it next month we can. Please let me know. Have a nice Thanksgiving!!!

Thanks,

Sherry
