

CAMP BOWIE RX BURN

Dates: February 24 – 28, 2020

Move in day: February 24, 2020

Move out day: February 28 – 29, 2020

There will be an Rx burn of approximately 3,800 acres. The burn will be along State Hwy 45 from just past the main compound to the south gate of Camp Bowie, and off of County Road 267, and off of County Road 264.

All fire lines will be prepped the week before the burn. Weather will be checked for all days of the burn a week prior and every day of the burn. Weather will also be checked approximately every hour during the burns.

We will have a Texas Forest Service Burn Crew out of Bastrop in charge at the burn station. Holding Crew will be with the Texas Forest Service Crew, Camp Bowie Fire Crew and the Dam VFD Fire Crew. We will have approximately ten (10) Type 6 engines, two (2) type 3 tenders, and four (4) dozers and two (2) motor graders from Texas Forest Service plus additional graders and dozers from Camp Bowie. We will have approximately 30 – 40 fire fighters and other ground support people.

All burns will be conducted in a safe and prescribed manner and carried out as the weather allows.
