VOTEC offers a hardware warranty on all components of the WelcomeVoter Kiosk starting year 2 at a cost of 4 % (4 percent) of the original price (\$45.40 per Kiosk per year). To take advantage of this pricing, customer must purchase warranty before the start of year 2 and purchase for each consecutive year. Any gap in coverage may lead to an increase in price.

Brown County would like to enter into a contract to buy WelcomeVoter Kiosks and will further this matter in coming days. This agreement of intent does not commit "Customer" to purchase or lease Kiosks but only to properly plan for this conversion. Parties mutually agree not to disclose information covered in this proposal except where necessary to negotiate specific contract terms. This proposal is good for 30 days.

Before me, the undersigned authority duly authorized to take acknowledgments and administer oaths, on this day personally appeared John Medcalf, VOTEC Corporation CEO, who after being duly sworn on oath stated the following:

I am aware that the Brown County Purchasing Department is required to comply with competitive bidding requirements of the Texas Government Code. I am aware that the statutory competitive bidding provisions do not apply to the purchase of an item that can be obtained from only one source.

I have represented to you and the Purchasing Department of Brown County and I hereby warrant that as of the date above, VOTEC is the sole-source supplier of the WelcomeVoter Kiosk voter check-in station and the VoteSafe™ software running on the Kiosk.

VOTEC is the sole-source supplier of this software because the complexity of the software does not lend itself to modification by anyone but the authors, all of whom work for VOTEC.

I agree that if VOTEC ever ceases being the sole-source supplier of this software, I shall immediately make a full disclosure in writing to the Brown County Purchasing Department of all relevant facts and circumstances.

IN WITNESS WHEREOF, the undersigned has executed this Affidavit on the 14th day of November, 2019.
