SUBJECT: Project Number SWF-2020-00310, Brown County Low Water Crossing 368

Mr. Robert W. Contreras
Brown County
Coordinator Grants and Government Affairs
200 S. Broadway
Brownwood, Texas 76801

Dear Mr. Contreras:

This letter is in regard to information received July 31, 2020, and subsequent information received August 12, 2020, concerning a proposal by Brown County to upgrade existing County Road 368 located in the City of Brownwood, Brown County, Texas. This project has been assigned Project Number SWF-2020-00310. Please include this number in all future correspondence concerning this project.

Under Section 404 of the Clean Water Act, the U.S. Army Corps of Engineers (USACE) regulates the discharge of dredged and fill material into waters of the United States, including wetlands. USACE responsibility under Section 10 of the Rivers and Harbors Act of 1899 is to regulate any work in, or affecting, navigable waters of the United States. Based on the description of the proposed work, and other information available to us, we have determined this project will involve activities subject to the requirements of Section 404.

We have reviewed this project under the pre-construction notification procedures of Nationwide Permit General Condition 32 (Federal Register, Vol. 82, No. 4, Friday, January 6, 2017). We have determined the discharge of dredged or fill materials into waters of the United States associated with this project appears to qualify for Nationwide Permit 14 for Linear Transportation Projects. To use this permit, the person responsible for the project must ensure the work is in compliance with the specifications and conditions for the permit listed above, found at <https://www.swf.usace.army.mil/Missions/Regulatory/Permitting/Nationwide-General-Permits/>. Additionally, all activities must comply with the water quality certification conditions of the Texas Commission on Environmental Quality (TCEQ) located at <http://www.swf.usace.army.mil/Portals/47/Users/053/21/821/NWP%202017%20Texas%20401c.ert.pdf>. Failure to comply with these specifications and conditions invalidates the authorization and may result in a violation.

Our verification for the construction of this activity under this nationwide permit is valid until March 18, 2022, unless prior to that date the nationwide permit is suspended, revoked, or modified such that the activity would no longer comply with the terms and conditions of the

RE: COUNTY TRANSPORTATION INFRASTRUCTURE FUND GRANT PROGRAM - NOTICE OF ELIGIBLE GRANT AWARD

TOTAL ELIGIBLE GRANT AWARD: \$164,839

Dear Judge Lilly:

The Texas Department of Transportation (TxDOT or Department) received your county's application for a grant under the COUNTY TRANSPORTATION INFRASTRUCTURE FUND GRANT PROGRAM (Program). The Department has finalized its review of all applications and has calculated all applicant counties' eligible grant awards.

Pursuant to Title 43 Texas Administrative (TAC) Code §15.190, this NOTICE OF ELIGIBLE GRANT AWARD is being sent to inform your county that its total eligible grant award as calculated by TxDOT in accordance with the Department rules is \$164,839 .

Before receiving any allowable reimbursements from the eligible grant amount, your county must enter into an agreement with the Department. Enclosed as part of the Program Implementation Procedures guidance document is a copy of the agreement your county will be required to execute before the county can receive any allowable reimbursements. All documents and instructions concerning the procedures for executing the agreement and returning the documents to TxDOT can be found on the County Transportation Infrastructure Fund Grant Program web page at:

<http://www.txdot.gov/government/funding/county-fund.html>.

If you have any questions please contact your local TxDOT district representative designated for this program, which can be found enclosed in this packet or on the website.

Sincerely,

James M. Bass
Executive Director
