

Devon Family Donation

\$10,000

The Devon family last week graciously made a donation available the Brown County to be made available to the First Responders of Brown County.

The cities of Brownwood and Early received \$10,000 each for the First Responders in their cities.

Brown County Sheriff's Department was contacted and asked if they had a need for any of the donation money and declined.

There are 9 volunteer fire departments in Brown County that could benefit from the donated money. Each department has seen a decline in donations and fundraising activities in the past one and half years due to the COVID 19 pandemic and have seen an increase in the cost of operations and would benefit from this donated money. If the money were to be evenly distributed to these 9 departments, they would receive \$1,111.11 each. It is requested that the donated money be distributed to the following volunteer fire departments in Brown County to help fund their emergency response operations:

Bangs VFD - \$1,111.11

Blanket VFD - \$1,111.11

Brookesmith VFD - \$1,111.11

Lake Brownwood Bridge VFD - \$1,111.11

Lake Brownwood Dam VFD - \$1,111.11

North Lake Brownwood VFD - \$1,111.11

May VFD - \$1,111.11

Winchell VFD - \$1,111.11

Zephyr VFD - \$1,111.11
