SUBJECT: Brown County First Responders Award

This will serve as a recommendation for Rain Brigman and Jasmine Ables, with Lifeguard to receive our Brown County First Responders Award.

Each of them demonstrated incredible support and sensitivity to A.W. Allen, of Bangs, in the early morning hours of February 11, 2022, after he had fallen.

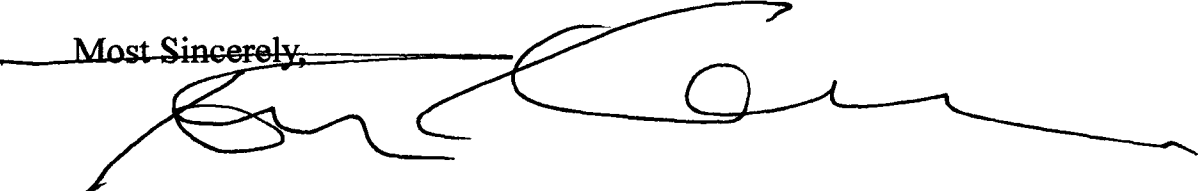

His wife, Doris Allen, was not able to lift him. She called 911 for assistance.

Lifeguard quickly responded. Rain Brigman and Jasmine Ables, with much gentleness and compassion, were able to get A.W. off the floor.

In addition, they went ABOVE and BEYOND and stayed at the Allen's home for awhile. They made sure that A.W.'s needs were met during a very difficult set of circumstances.

We in Brown County continue to be fortunate that we have such outstanding First Responders as Rain Brigman and Jasmine Ables!

~~Most Sincerely,~~
