TO: Brown County Emergency Management Chaplain's Team

SUBJECT: Brown County First Responders Award

This will serve as a recommendation for Colonel Jamey Creek, Commander of the Camp Bowie Training Center in Brownwood, to receive our Brown County First Responders Award.

Colonel Creek has been at Camp Bowie for many years and was instrumental in helping to secure the Texas A&M Forest Service Task Force being placed in Brown County at Camp Bowie.

Over the years, he has promoted a wild land fire academy in Brownwood to offer free training for local volunteer and career firefighters. Colonel Creek has a staff of personnel at Camp Bowie trained to control wild land fires on the base as a result of the firing ranges. He has offered assistance from the National Guard to fight wild land fires in Brown County and has been instrumental in making his personnel assigned as a first response to Brown and surrounding counties during times of increased fire activity.

Colonel Creek is ordinarily on one of the Camp Bowie fire trucks when it rolls out the gate.

Thank you to Colonel Creek for his leadership and willingness to assist the citizens of Brown County in any emergency.

~~Most Sincerely,~~

Ron Keener
