

Grants Co-ordinator Update

- Big Country Foundation has provided their "Performance & Payment" contract.
- They have started today
- Estimated 2 weeks to finish foundation leveling
- Tile Contractor began removing tile and found 1" leveler. Will have to repair and will lay the tile on top of the old tile.
- Ballistic Shield manufacturer estimates delivery to the Sheriff's Office about March 27th.
- Still hunting for a grant for Drug Sniffing K9
- Waiting on response to the two grants submitted for the BOLAWRAPS
- Collecting Information for the AARPA report due in April
- Opioid Settlement Funds – Electronic Deposit was received and submitted last Friday. We should be receiving the 1st of 4 settlements soon.
- Visited with Mason County Judges office concerning who they used for their re-building of their courthouse. Project Manager Dave Stauch of CPMTexas oversaw the entire process and helped with getting grant money.
