SUMMARY

1. Monthly Recurring IT Security Services: \$5,636
2. One-Time Setup - WAIVED
3. All services are based on Annual Renewal that will be presented in the Budget workshop to allow for appropriate budgeting.

SERVICE SUMMARY

1. Goldsmith Solutions will provide and deploy Endpoint security tools and remove and cancel any existing services
2. Goldsmith Solutions will implement Email Backup & SecureLink into the existing Microsoft Office 365 Environment
3. Goldsmith Solutions will implement DNS Filter into the existing customer environment, customer understands this can lead to pages blocked in error. Pages can be unblocked normally within a few minutes upon submitting an unblock request. Customer Agrees to allow Goldsmith Solutions to block any appropriate categories to protect the county network.
4. Goldsmith Solutions will implement Firewall monitoring of county provided firewall with current Manufacturer Support Contract and Valid Security Services Subscriptions
