## VII – Item I Adobe Licensing

- Requesting moving from individual license agreement per user and per office to Volume License agreement, county wide.
- Reduces costs by \$87-195 per user depending on license in place currently.
- Deploys streamlined license to users who need full Adobe capabilities.

1. **CURRENT- Adobe.com Agreements**

Adobe Standard .....	\$179.88 year per user
Adobe Professional .....	\$287.88 year per user

2. **PROPOSED – Adobe Volume License Agreement**  
**Purchased from DELL on DIR Agreement**

Adobe Professional .....	\$92.40 year per user
--------------------------	-----------------------

- Billed Annually by DELL
- Paid for as 1 purchase Order
- Adobe will credit un-used portions of Adobe.com licensing that will be cancelled after new license is implemented
- Estimate 25-50 users need License
