VII – Item J IT Supplies

OVERVIEW

- Current IT projects require a baseline of supplies to be kept in inventory.
- By standardizing IT deployments this will lead to a more stable environment and more streamlined support.
- Purchasing Items in advance avoids delays in repair or inflated costs for materials.
- Very few IT supplies/items needed for daily IT support are available from local sources in Brownwood or even Abilene.

SUMMARY

1. COSTS

IT Baseline of Supplies \$19,617.02

(Itemized details included on following pages)

April 3, 2023
(Exhibit #22)

**BROWN COUNTY IT
