3. Homeowners failing to submit a completed "contract form", or required testing and timely reporting results, or falsifying the required documents, will be required to contract with a registered maintenance provider.

E) Permit, inspection and fee required for any On-Site Sewage Facility on tracts of land less than 10 acres.

F) Maintenance Providers, of On-Site Sewage Facilities requiring periodic maintenance, must provide the homeowner, of said On-Site Sewage Facility, with a copy of the maintenance report at time of maintenance.

jurisdiction the judgment or decree shall not affect any of the remaining phrases, clauses, sentences, paragraphs, or sections of this Order.
