4.04. <u>Voting Rights</u>. The Association shall have two classes of voting memberships. Developer shall be entitled to ten (10) votes for each Tract owned. Each Tract, other than those owned by the Developer, shall have only one vote regardless of the number of Owners of the Tract. In the event that more than one person owns a Tract and the group of Owners do not have a unified vote for purposes hereunder, then the Association shall not recognize the vote for that Tract and such vote shall not be counted when the calculating membership votes. Notwithstanding the foregoing, the presence of any Tract Owner at a meeting of Members permits the inclusion of the Tract represented when calculating any necessary quorum.

ARTICLE V ASSESSMENTS

5.01. <u>Assessments</u>. Each Tract Owner by acceptance of a deed therefore, whether or not it shall be expressed in any such deed or other conveyance, is deemed to covenant and agree to pay to the Association the Assessments provided herein. The Assessments shall be a charge on the Tracts and shall be a continuing lien upon the Tract against which each such Assessment is made. Both Annual and Special Assessments must be fixed at a uniform rate for all Tracts subject to assessment and may be collected on a monthly basis or on an annual basis at the discretion of the Board of Directors.

5.02. Annual Assessment.

(a) An Annual Assessment shall be paid by each of the Owners and the Annual Assessment shall be used to pay all reasonable and necessary operating expenses and reserve requirements of the Association as herein provided and the Common Area Expenses. The Annual Assessment for the year of purchase shall be pro-rated as of the purchase date and then shall be paid annually.

(b) The initial amount of the Annual Assessment applicable to each Tract within the Ledge Stone Ranch Subdivision shall be three hundred dollars (\$300.00) per Tract. The Annual Assessment is payable in advance and is due on the thirty first (31st) day of January during each calendar year. All other matters relating to the collection, expenditure and administration of the Annual Assessment shall be determined by the Board of Directors of the Association, subject to the provisions hereof.

(c) The Board of Directors of the Association, from and after the Control Transfer Date, shall have the further right at any time to adjust, alter, increase or decrease the Annual Assessment from year to year as it deems proper to meet the reasonable operating expenses and reserve requirements of the Association and to enable the Association to carry out its duties hereunder. However, the Board of Directors shall not increase the Annual Assessment by more than ten percent (10%) from the previous year without a majority vote of those members that are present in person or by proxy, or by ballot at a meeting called for such a vote.

5.03. <u>Special Assessments</u>. In addition to the Annual Assessment, the Association, upon the Vote of the Members, may levy Special Assessments from time to time to cover unbudgeted expenses or expenses in excess of those budgeted.

5.04. <u>Interest of Assessment</u>. Any Assessment which is not paid within thirty (30) days after the due date shall bear interest from the due date at the lesser of (i) the rate of eighteen percent (18%) per annum or (ii) the maximum rate permitted by law.

5.05. Purpose of the Assessments. The Annual Assessments and Special Assessments shall be used exclusively for the purpose of promoting the health, safety, security and welfare of the Subdivision and the maintenance of the Common Area. In particular, the Assessments shall be used for any improvement or services in furtherance of these purposes and the performance of the Association's duties described herein, including the maintenance of any Subdivision Roads, Subdivision drainage easements, Common Area, Common Area Expenses, the enforcement of these Restrictions and the establishment and maintenance of reserve funds. Any questions regarding whether an item is a Common Area or a Common Area Expense shall be determined by the Board. The Assessments may be used by the Association for any purpose which, in the judgment of the Association's Board of Directors, is necessary or desirable to maintain the property value of the Subdivision, including but not limited to, providing funds to pay all taxes, insurance, repairs, utilities and any other expense incurred by the Association. Except for the Association's use of the Assessments to perform its duties as described in these Restrictions, the use of the Assessments for any of these purposes is permissive and not mandatory. It is understood that the judgment of the Board of Directors as to the expenditure of Assessments shall be final and conclusive so long as such judgment is exercised in good faith.

5.06. Creation of Lien and Personal Obligation. In order to secure the payment of the Assessments, each Tract Owner hereby grants the Association a contractual lien on such Tract which may be foreclosed by non-judicial foreclosure, pursuant to the provisions of Chapter 51 of the Texas Property Code (and any successor statute); and each such Tract Owner hereby expressly grants the Association a power of sale in connection therewith. The Association shall, whenever it proceeds with non-judicial foreclosure pursuant to the provisions of said section 51.002 of the Texas Property Code, designate in writing a Trustee to post or cause to be posted all required notices of such foreclosure sale and to conduct such foreclosure sale. The Trustee may be changed at any time and from time to time by the association by means of written instrument executed by the President or any Vice-President of the Association and filed for record in the Official Public Records of Real Property of Brown County, Texas. In the event the Association has determined to nonjudicially foreclose the lien provided herein pursuant to the provisions of said Chapter 51 of the Texas Property Code and to exercise the power of sale hereby granted, the Association, or the Association's agent, shall give notice of the foreclosure sale as provided by the Texas Property Code as then amended. Upon request by the Association, the Trustee shall give any further notice of foreclosure sale as may be required by the Texas Property Code as then amended and shall convey such Tract to the highest bidder for cash by Trustee's Deed. Out of the proceeds of such sale, if any, there shall first be paid all expenses incurred by the Association in connection with collecting the Assessments and foreclosing on the Tract, including reasonable attorney's fees and a reasonable trustee's fee; second, from such proceeds there shall be paid to the Association and amount equal to the amount of the Assessment in default; and third, the remaining balance shall be paid to the Tract Owner or Lien Holder for the benefit of the Tract Owner. Following any such foreclosure, each occupant of a Tract which is foreclosed upon shall be deemed a tenant at sufferance and may be removed from possession by any and all lawful means, including a judgment for possession in an action for forcible detainer.

In the event of non-payment by any Tract Owner of any Assessment or other charge, fee, assessment levied hereunder, the Association may, in addition to foreclosing the lien hereby retained, and exercising the remedies provided herein, exercise all other rights and remedies available at law or in equity, including but not limited to bringing an action at law against the Tract Owner personally obligated to pay the same.

It is the intent of the Provisions of this Article to comply with the provisions of said Section 51.002 of the Texas Property Code relating to non-judicial sales by power of sale. In the event of the amendment of Section 51.002 of the Texas Property Code, the Association, acting without joinder of any Tract Owner or Mortgagee, may, by amendment to these Restrictions, file any required amendments to these Restrictions so as to comply with said amendments to Section 51.002 of the Texas Property Code or any other statute applicable to foreclosures.

Notwithstanding anything contained this Article, all notices and procedures relating to foreclosures shall comply with Chapter 209 of the Texas Property Code.

5.07. Notice of Lien. In addition to the right of the Association to enforce the Assessment, the Association may file a claim of lien against the Tract of the delinquent Tract Owner by recording a Notice ("Notice of Lien" or "Affidavit of Lien") setting forth (a) the amount of the claim of delinquency, (b) the interest thereon, (c) the costs of collection which have been accrued thereon, (d) the legal description and street address of the Tract against which the lien is claimed, and (e) the name of the Tract Owner thereof. Such Notice of Lien shall be signed and acknowledged by an officer of the Association or other duly authorized agent of the Association. The lien shall continue until the amounts are fully paid or otherwise satisfied. When all amounts claimed under the Notice of Lien and all other costs and assessments which may have accrued subsequent to the filing of the Notice of Lien have been paid or satisfied, the Association shall execute and record a notice releasing the lien upon payment by the Tract Owner of a reasonable fee as fixed by the Association to cover the preparation and recordation of such release of lien instrument.

5.08. <u>Developer Exemption</u>. In consideration of the Property infrastructure, the Developer shall be exempt from the payment of all Assessments.

5.09. Liens Subordinate to Mortgages. The lien described in this Article V shall be deemed subordinate to any lien in favor of any bank, mortgage company, real estate lending establishment, financial institution, insurance company, savings and loan association, or any other third party lender, including the Developer, who may have advanced funds, in good faith, to any Tract Owner for the purchase, improvement, equity lending, renewal, extension, rearrangement or refinancing of any lien secured by a Tract, provided that any such lien holder has made due inquiry as to the payment of any required assessments at the time the lien is recorded. Any consensual lien holder who obtains title to any Tract pursuant to the remedies provided in a deed of trust or mortgage or by judicial foreclosure shall take title of the Tract free and clear of any claims for unpaid assessments or other charges against said Tract which ad prior to the time such holder acquired title to such Tract. No such sale or transfer shall relieve such holder from liability for any Assessments or other charges or assessments thereafter becoming due. Any other sale or transfer of a Tract shall not affect the Association's lien for Assessments or other charges or assessments. The Association shall make a good faith effort to give each such mortgage sixty (60) days advance written notice of the Association's foreclosure of an Assessment lien, which notice shall be sent to the nearest office of such mortgage by prepaid United State registered or certified mail, return receipt requested, and shall contain a statement of delinquent Assessment or other charges or assessments upon which the said action is based, provided however, the Association's failure to give such notice shall not impair or invalidate any foreclosure conducted by the Association pursuant to the provisions of this Article V.

ARTICLE VI DEVELOPER'S RIGHTS AND RESERVATIONS

....

6.01. <u>Period of Developer's Rights and Reservations</u>. Developer shall have, retain and reserve certain rights as set forth in these Restrictions with respect to the Association from the date hereof, until the earlier of the date the Developer gives written notice to the Association of Developer's termination of the rights described in this Article VI or the Control Transfer Date. The Developer rights, those being the same as Declarant Rights, set forth in these Restrictions shall not be released until such time as a document relinquishing said rights is filed of record or the Developer no longer holds record title to any Common Area or a Lot in the Subdivision. The rights and reservations hereinafter set forth shall be deemed accepted and reserved in each conveyance by the Developer whether or not specifically stated therein. The rights, reservations and easements set forth herein shall be prior and superior to any other provisions of this Declaration and may not, without Developer's prior written consent, be modified, amended, rescinded or affected by any amendment to this Declaration. Developer's consent to any amendment shall not be construed as consent to any other amendment.

6.02. <u>Developer's Rights to Grant and Create Easements</u>. Developer shall have and hereby reserves the right, without the consent of any Owner or the Association, to grant or create temporary or permanent easements throughout the Subdivision, for ingress, egress, utilities, cable and satellite television systems, communication and security systems, drainage, water and other purposes incidental to the development, sale, operation and maintenance of the Subdivision or purposes deemed necessary by the Developer.

6.03. <u>Developer's Rights to Convey Common Area to the Association</u>. Developer shall have and hereby reserves the right, but shall not be obligated to, convey real property and improvements thereon, if any, to the Association for use as Common Area at any time and from time to time in accordance with these Restrictions, without the consent of any Owner or the Association.

6.04. <u>Annexation of Additional Areas</u>. Developer may cause additional real property to be annexed into Subdivision, by causing a written Annexation Declaration confirming the annexation thereof, to be recorded in the Official Public Records of Real Property in Brown County, Texas. No consent shall be required of the Association or any Member thereof, each Tract Owner being deemed to have appointed the Developer as his agent and attorney-in fact to affect this Annexation, which power hereby granted to the Developer is and shall be a power coupled with any interest. Thereafter, the Association shall be the Association for the entirety of the Development, including the annexed property.

ARTICLE VII <u>DUTIES AND POWERS OF THE LEDGE STONE RANCH</u> <u>PROPERTY OWNERS' ASSOCIATION</u>

7.01. <u>General Duties and Powers of the Association</u>. The Association has been formed to further the common interest of the Members. The Association, acting through the Board of Directors or through persons to whom the Board of Directors has designated such powers (and subject to the provisions of the bylaws), shall have the duties and powers hereinafter set forth and, in general, the power to do anything that may be necessary or desirable to further the common interest of the Members and to improve and enhance the attractiveness, desirability and safety of the Subdivision. The Board of Directors shall minimally be composed of three individuals serving three-year staggered terms, with the titles of President, Vice-President, and Secretary/Treasurer, being assigned annually by the board of Directors.

7.02. Duty to Accept the Property and Facilities Transferred by Developer. The Association shall accept title to any real property, improvements to real property, personal property and any related equipment which the Developer transfers to the Association. together with the responsibility to perform any and all maintenance and administrative functions associated therewith, provided that such property and responsibilities are not inconsistent with the terms of these Restrictions. Property interest transferred to the Association by the Developer may include fee simple title, easements, leasehold interests and licenses to use such property. Any property or interest in property transferred to the Association by the Developer shall, except to the extent otherwise specifically approved by resolution of the Board of Directors, be transferred to the Association free and clear of all liens and mortgages (other than the lien for property taxes and assessments not then due and payable) but shall be subject to the terms of any declaration of covenants, conditions and restriction or easements set forth in the transfer instrument. Except as otherwise specifically approved by resolution of the board of Directors, no property or instrument transferred to the Association by the Developer shall impose upon the Association any obligation to make monetary payments to the Developer or any affiliate of the Developer including, but not limited to, any purchase price, rent charge or fee.

7.03. <u>Other Insurance Bonds</u>. The Association shall obtain such insurance as may be deemed necessary or desirable by the Board or by law, including but not limited to, comprehensive liability and casualty insurance, worker's compensation insurance, fidelity and indemnity insurance, officers and director's liability insurance, as well as such other insurances or bonds as the Association shall deem necessary or desirable.

7.04. <u>Duty to Prepare Annual Budgets</u>. The Association shall prepare an annual budget for the Association.

7.05. <u>Duty to Levy and Collect Assessments</u>. The Association shall levy, collect and enforce the Assessments as provided in these Restrictions.

7.06. <u>Duty to Provide Annual Financial Statement</u>. The Association shall prepare an annual financial statement, including a balance sheet, for review by the Members.

7.07. <u>Duties with Respect to Architectural Approvals</u>. The Association, through the ACC, shall perform the ACC duties described in these Restrictions after the Control Transfer Date. Prior to the Control Transfer Date, the Developer shall perform the ACC duties.

7.08. Power to Acquire Property and Construct Improvements. The Association

may acquire property or an interest in property (including leases and easements) for the common benefit of Owners including any improvements and personal property. The Association may construct improvements and may demolish any existing improvements in the Common Area.

7.09. Power to Adopt Rules and Regulation. The Association shall have the power to make reasonable rules and regulations regarding the use of the Common Area. The Association shall also have the right to promulgate such rules and regulations with respect to the Subdivision so long as the Board of the Association deems such rules and regulations necessary to promote the recreation, health, safety and welfare of the Members of the Association, or may be necessary or desirable to further the common interest of the Members and to improve and enhance the attractiveness, desirability and safety of the Subdivision all in accordance with the provisions of these Restrictions. The rules and regulations may be enforced in the same manner as any other provision of these Restrictions.

7.10. Enforcement of Restrictions. The Association (or any Owner if the Association fails to do so after reasonable written notice) shall enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of these Restrictions. Failure by the Association or any Owner to enforce any covenants or restrictions herein contained shall in no event be deemed a waiver of the right to do so thereafter. If it becomes necessary for any Owner or the Association to file a Court action to enforce these Restrictions, the defaulting Owner shall be liable for all reasonable attorney's fees and costs incurred by the enforcing Owner or the Association to obtain compliance by the defaulting Owner. The defaulting Owner shall be liable for all damages suffered by the enforcing Owner or the Association which shall be in an amount established by the Court.

7.11. <u>Remedies</u>. In the event a Tract Owner fails to remedy any violation of these Restrictions within ten (10) days after written notice, or the number of days given in the written notice to allow for a remedy, the Association, or its authorized representatives, may take any one or more of the following actions:

- (a) Enter upon the Tract Owner's property and remove the violating condition, document the violating condition and/or cure the violation, at the expense of the Tract Owner, and the violating Tract Owner shall pay on demand all costs and expenses, including reasonable attorney's fees, incurred by the Association in removing such violating condition;
- (b) Assess a charge of \$50.00 per day against any Tract Owner and/or his Tract until the violating condition is corrected. The Violation charge may be increased by the Association in accordance with increases in the National Consumer Price Index using 2024 as a base year. Failure to pay such assessment by the violating Tract Owner within ten (10) days from receipt of assessment will result in a lien against the Tract with the same force and effect as the lien for Annual or Special Assessments;

- (c) Impose charges for late payment of assessments;
- (d) After notice and an opportunity to be heard as provided in The Texas Property Code, levying reasonable fines for violations of this Declaration, and the Bylaws and any rules and regulations of the Association;
- (e) File suit in order to enforce the above remedies and/or pursue any other remedy which may be available at law or in equity;
- (f) Suspend an Owner's right to use the Common Area; and/or
- (g) Take any action allowed by the Texas Property Code.

After a Tract Owner receives a written notice of a violation of these Restrictions, the violating Tract Owner shall not be entitled to any further notice of the same violation if it occurs within a six (6) month period. The Association reserves the easement across each Owner's Tract for the purpose of correcting or removing conditions in violation of these Restrictions, and in doing so, shall have no liability for trespass or other tort in connection therewith, or arising from such correction or removal of a violating condition. The Association shall further have the right to have any vehicle or other property stored or used in violation of these Restrictions removed from the Owner's Tract at the expense of the Owner and stored at the expense of the Owner.

ARTICLE VIII ARCHITECTURAL CONTROL COMMITTEE

8.01. Basic Control & Applications.

- (a) No Improvements of any character shall be erected or placed, or the erection or placing thereof commenced, or changes made to the exterior design or appearance of any Improvement, without first obtaining the Architectural Control Committee's or Developer's (prior to the Control Transfer Date) written approval. No demolition or destruction of any Improvement by voluntary action shall be made without first obtaining the Architectural Control Committee's or Developer's (prior to the Control Transfer Date) written approval. No demolition of any Improvement by voluntary action shall be made without first obtaining the Architectural Control Committee's or Developer's (prior to the Control Transfer Date) written approval.
- (b) Each application made to the Architectural Control Committee or Developer (prior to the Control Transfer Date) for approval, shall contain an application in the form specified by the Architectural Control Committee or Developer (prior to the Control Transfer Date), two sets of professionally drawn Plans and Specifications for all proposed Improvements, showing the location of all Improvements on the Tract, and any applicable fees or deposits together with such other reasonable necessary information as the Architectural Control Committee or Developer (prior to the Control Transfer Date) shall request. These plans must be submitted in PDF format

to the Developer, or after the Control Transfer Date, to the ACC. A nonrefundable fee of \$250.00 is required at time of plan submittal to cover administrative costs involving the home plan approval process.

- 8.02. Architectural Control Committee.
 - (a) All ACC authority is initially vested in the Developer. The ACC authority of the Developer shall cease upon the Control Transfer Date. The Developer shall continue to have ACC authority as to any Plans and Specifications or Construction projects submitted to the Developer prior to the initial appointment of the ACC members.
 - (b) After the Control Transfer Date, the Developer shall cause an instrument transferring ACC authority to the Association to be recorded in the Official Public Records of Real Property in Brown County, Texas. Subsequent appointments of the ACC members shall be by the Board of Directors. After the Control Transfer Date, each Member of the ACC must be a Tract Owner in the Subdivision.
 - (c) After the Control Transfer Date, the Board shall provide notice to all Owners in the Subdivision of the Association's solicitation of persons interested in serving on the ACC. The notice must be provided at least 10 days before the Association appoints a person to serve on the ACC and it must contain instructions for a person to notify the Association of that person's interest in serving, including the date by which the person's notification must be received by the Association.

8.03. <u>Effect of Inaction</u>. All approvals or disapprovals issued by the ACC shall be in writing. In the event the ACC fails to approve or disapprove any request received by it in compliance with Article VIII within thirty (30) days following the submission of a completed application and full compliance with the Declarations set out herein, such request shall be deemed approved and the construction of any Improvements may commence in accordance with the Plans and Specifications submitted for approval. Any ACC approval obtained as a result of inaction by the ACC shall not authorize the construction of any Improvement in violation of these Restrictions.

8.04. <u>Effect of Approval</u>. The granting of an ACC approval (whether in writing or by lapse of time) shall constitute only an expression of opinion by the ACC that the proposed Improvement to be erected complies with these Restrictions; and such approval shall not prevent the Association from requiring removal of any Improvement which fails to comply with these Restrictions. Further, no ACC member shall incur any liability by reason of the good faith exercise of the authority granted hereunder.

8.05. <u>Variance</u>. The Developer, may on a case by case basis, authorize variances from the requirements of these Restrictions at its sole discretion. The ACC may grant a variance from the requirements of these Restrictions on the reasonable opinion of the ACC,

if the Restrictions unreasonably restrain the development of a Lot in accordance with the general scheme of the Subdivision. The Developer will retain the right to grant variances after the Control Transfer Date so long as the Developer continues to own a Lot or Common Area in the Subdivision. All variances shall be in writing and signed by the Developer or if granted by the ACC then it must be signed by at least two (2) members of the ACC. No violation of these Restrictions shall be deemed to have occurred with respect to any matter for which a variance is granted. The granting of such a variance shall not operate to waive any of the terms and provisions of these Restrictions for any purpose except as to the particular Lot and improvements and the particular provision covered by the variance, nor shall it affect in any way the Owner's obligation to comply with all governmental laws and regulations affecting the use of the Owner's Tract.

8.06. <u>Construction Deposit</u>. A deposit of \$500.00 must be paid at the time Plans and Specifications are submitted for the construction of a new residence, barn, workshop or storage building. This deposit will be held for the purpose of securing a Tract Owner's performance, during the construction process, of the obligations imposed by these Restrictions, for wear and tear on the Subdivision Roads by construction equipment and construction traffic, and for damage to the Common Area. Tract Owners shall be responsible for any damage caused to the Roads or Common Area by construction equipment or trucks making deliveries to their Tract. Upon completion of construction, the Tract Owner will be refunded the deposit less any obligations incurred as a result of any uncured violation of these Restrictions, any damage to the Roads of the Subdivision and any damage to the Common Area.

EARLY ISD	25.56
ROAD & BRIDGE	1.47

If applicable, the above-described property has/is receiving special appraisal based on its use, and additional rollback taxes may become due based on the provisions of the special appraisal (Comptroller Rule 9.3040) or property omitted from the appraisal roll as described under Tax Code Section 25.21 is not included in this certificate [Tax Code Section 31.08(b)].

Pursuant to Tax Code Section 31.08, if a person transfers property accompanied by a tax certificate that erroneously indicates that no

delinquent taxes, penalties or interest are due a taxing unit on the property or that falls to include property because of its omission from an appraisal roll, the unit's tax lien on the property is extinguished and the purchaser of the property is absolved of liability to the unit for

delinquent taxes, penalties or interest on the property or for taxes based on omitted property. The person who was liable for the tax for the year the tax was imposed or the property was omitted remains personally liable for the tax and for any penalties or interest.
