Attachment A
2025 BROWN COUNTY INVESTMENT POLICY

Brown County cash investments shall be made with judgement and care, under prevailing circumstances that a person of prudence, discretion and intelligence would exercise in the management of the person's own affairs, not for speculation, but for investment, considering the probable safety of capital and probable income to be derived. Investment of funds shall be governed by the following investment objectives, in order of priority: 1. preservation and safety of principal, 2. liquidity and 3. yield.

In regard to cash investments except proceeds from long term debt:

1. All cash investments, except temporary investment from long term debt proceeds, will be maintained with Brown County's Depository in conformity with Brown County's contract with that depository or in an authorized investment pool.
2. All cash investments will be secured by FDIC coverage, to the maximum FDIC coverage and any remaining cash investments will be secured by securities pledged by the depository bank to Brown County in an amount adequate to secure any balance not covered by FDIC coverage.
3. All cash investments may be in the form of Certificates of Deposit or interest bearing checking accounts, in conformity with Brown County's contract with the depository bank or in conformity with the investment pool's contract.
4. The maximum allowable stated maturity of any individual investment will be not less than 30 days and not more than 365 days.
5. Any and all funds may pool cash investments with other funds in any percentage of the total investment.
6. Monitoring of market price of cash investments will not be necessary since value will always be cost of investment.
7. All cash investments may be withdrawn on demand at any time, subject to the penalties in conformity with the depository contract or investment pool regulations.
8. Separate records for each fund will be maintained of balances invested and interest earned of pooled investments.
9. The investment strategy for each fund shall be as stated on the attached statement of investment strategies.
10. The Brown County Commissioner's Court shall review investment policy annually and adopt a written resolution stating such, as well as record any changes made to the policies and strategies.

BROWN COUNTY INVESTMENT POLICY (CONTINUED)

11. The Brown County Commissioner's Court has designated, by resolution, one investment officer, Brown County Treasurer, Ann Krpoun, CIO.
12. The investment officer shall attend not less than 1 training session within 12 month after assuming duties and attend not less than 1 training session within each 2-year period and receive not less than 10 hours of instruction.
13. The investment officer shall not be liable for any actions taken that are in conformity with this policy.
14. The investment officer, shall report no less than quarterly, the investment activities of Brown County to Commissioner's Court.

In regard to cash investments form proceeds of long term debt:

The Brown County Investment Committee will use due diligence in determining the best investment vehicle in conformity with Brown County Investment Strategies.
